

Requirements

Ames is seeking out highly-motivated companies or individuals for franchise opportunities who are passionate about owning their own business, and providing the highest quality drywall finishing solutions to their customers.

Our current franchise partners are wholesale drywall companies who have one or more locations. Our franchising program and the support we provide are geared to both the single location owner, as well as those that are looking to own multiple Ames tool rental locations.

Minimum Financial Requirements:

- \$200,000 liquid assets
- \$300,000 total net worth

Franchisee Profile:

- Knowledge of the market
- Business and P&L management experience
- Experience managing people, relationships
- Hands-on attitude and involved in the day-to-day management of business
- ATF tool experience ideal, but not required
- Passion for the Ames brand and Ames products

Ames is on the rise! We are actively soliciting new franchisees primarily in territories and markets where we already have established brand awareness and presence, but we will consider new markets and, in either case, we stand ready to assist you in reaching your goals.

Take the first step in owning your very own Ames automatic taping and finishing tool rental franchise by completing the RFC ([click here](#)) with as much detail as possible to provide us a better understanding of your background and development plans. Once you have submitted the form, a Franchise Sales Associate will contact you within hours.
